

Why and How we Innovate

Mark Garrison - @markgarrison - marksgarrison.com

Make Things Better

Explain why and involve others

Storydoing vs storytelling

Jump curves

Innovators are individuals who break the rules

Be reflective

Technology amplifies human potential

Technology is the cheapest asset we can throw at any problem

Bias Toward Action

Iterate

Take the granny shot

Bears in space

Focus on Mindset over Skillset

Reward the behaviors you want to see

Prioritize Equity

Get out of your comfort zone

Practice Agility

MINDSET into ACTION

This year I commit to learning alongside my students.

I will: _____

Signed, _____

Questions:

What's your change? - If you had your dream classroom at the end of the year, what would it look like?

Share with partner

Pick one thing you will stop doing because it is a tradition that not promote student success.

Write on post-it note to throw

Mindset into action! - What is one thing you will commit to learn alongside your students this year to model lifelong learning? bit.ly/mindsetaction #mindsetintoaction
